Timing

1. Utilizing the 15 min. grace period shall have no effect upon the official start time; however, in the case of a rain delay or equipment problem, the start time shall be determined by the plate umpire. The latter is, or shall designate, the official timekeeper.
2. All games shall be five [5] innings long, although two and a half [2 1/2] innings shall constitute a game if the dead ball time is reached. No new inning will begin after two hours and the final score for games halted due to curfew will revert to the last complete inning.

Equipment

3. The ball used shall be a regular white baseball, and only one [1] ball will be used for delivery by the pitching machine.
4. The latter shall be surrounded by a safety circle of eight [8] feet diameter and have two [2] 3' safety lines extending out from the circle in the direction of both 1st and 3rd base. The machine must be operated by an adult from the offensive team.

The speed of the pitching machine may not be adjusted until the end of a completed inning and this must be agreed upon by both head coaches and the umpire.
